What's New Around Here? Here's an update!

Linda has enjoyed meeting everyone and learning so much!

Whats Been Happening

2017 Was a Great Year!

Summer Reading went well! Over 400 patrons signed up. Had a great Kick Off event at the Glenwood Lake Park. Thanks to all who helped and participated!

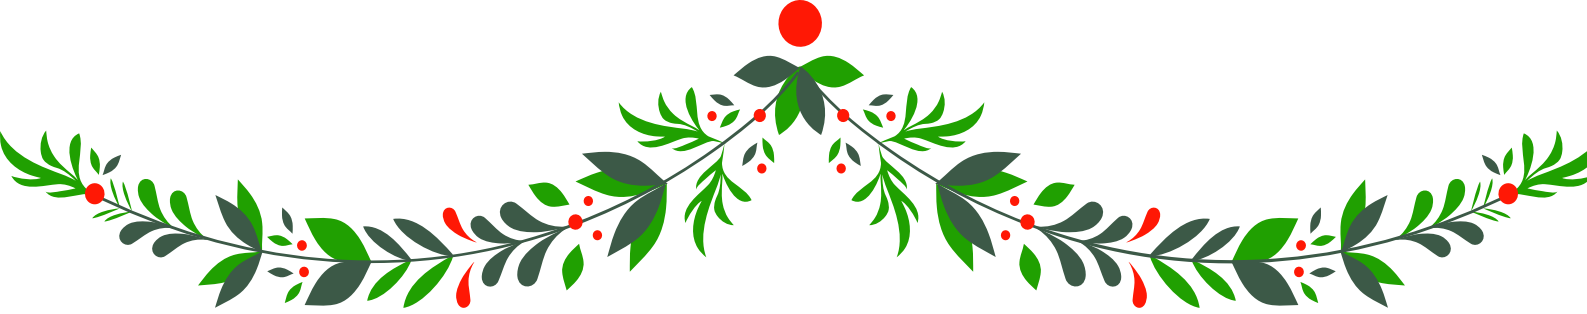

Some of our guests during Summer Reading were: Henry Doorly Zoo, Mills County Conservation, Iowa State Insect Zoo, Omaha Roller Girls and Lisa Laird-Ventriloquist.

Glenwood's Police Department, Fire Department and Public Works explained what they do that's *"Good For Glenwood"* Thank you to all Glenwood Departments and what they do for this town. We appreciate all you do!

Thank you to all our special guests that come to our Vine Street Cellars Book Club. We appreciate you taking time out from your busy schedules to update us on things you do in your business.

Rock painting has been a new trend this past year. People paint and hide rocks around Glenwood. We have found several around the library (inside and outside).

Tami Bertini was our summer reading winner - guessing how many library cards were in the jar. She guessed the exact amount of **346!**

Jeanne Lincoln was our Winter Reading Winner.

In December, Santa and Mrs Claus came to visit during Story Time and read some of their favorite books.

Thanks to all the children that came and made ornaments to put on our tree. They all turned out fantastic! Miss Heather enjoyed watching how creative you all were!

There was an Ornament Guessing Program with 119 ornaments in the container. Two winners were very close in guessing how many ornaments there were.

Rosalee Ritenour guessed 117 and Liz Otte guessed 121. Congratulations to both of you!

The teens enjoyed helping Linda G. make a hand print tree for her display table. They also did an awesome job with their holiday coloring sheets!

Friends of the Library did a fantastic job in decorating for the holidays around here. It always looks so festive when they are done. Thanks for all you do for the library!
